Sara Hekmat	Administration, Education	Operational Consultant	PT

Amendment #2: Accreditation, Licenses, Approvals

As of the 2018-2019 academic year, Antigua College International has achieved institutional accreditation through the Accreditation Bureau of Health Education Schools (ABHES), ID# I-409, as of August 2018. Nationally recognized by the U.S. Secretary of Education as a private, non-profit, independent accrediting agency since 1969, ABHES can be reached as listed below:

Accreditation Bureau of Health Education Schools (ABHES)
 7777 Leesburg Pike, Suite 314 N.
 Falls Church, VA 22043
 Phone (703) 917-9503, Fax (703) 917-4109
www.abhes.org

The college has also been licensed by the Commission for Independent Education (CIE), License #4930, since 2013. Any additional information regarding the institution may be obtained by contacting the CIE as listed below:

<https://Florida Department of Education>
 Commission for Independent Education
 325 West Gaines Street, Suite 1414
 Tallahassee, Florida 32399
 (888) 224-6684
www.fldoe.org/cie

The college also holds approvals by the Florida Board of Nursing since 2013 to offer the following programs:

Practical Nurse Diploma Program: License # NPPN70275, NCLEX code 70-275
 Associate in Science in Nursing: License # NPRN70769, NCLEX code 70-769
 Bachelor of Science in Nursing: License # NPRN70523, NCLEX code 70-523

The Board of Nursing can be reached as listed below:

Florida Board of Nursing
 4050 Bald Cypress Way, Bin #C-02,
 Tallahassee, Fl. 32399-3252
 (850) 245-4125
 www.floridasnursing.gov

This nursing education program is a candidate for accreditation by the Accreditation Commission for Education in Nursing.

Accreditation Commission for Education in Nursing (ACEN)
 3343 Peachtree Road NE, Suite 850
 Atlanta, GA 30326 404-975-5000

Nursing, RN to BSN	\$17,415	\$100	\$100	\$17,615

Amendment #5: Nursing, ADN

	Base Tuition	Tuition and Fees		Total
		Registration Fee	Technology Fee	
Nursing, ADN	\$32,805	\$100	\$100	\$33,005

Amendment #6: Nursing, PN

	Base Tuition	Tuition and Fees		Total
		Registration Fee	Technology Fee	
Nursing, PN	\$15,500	\$100	\$100	\$15,700

Amendment #7 Admission

Admission Requirements for All Applicants

All applicants wishing to enroll at Antigua College International must fulfill the following requirements:

1. Visit the campus to submit an application for admission

2. Complete all admission documents (e.g. enrollment agreement, emergency contact, background disclosures, release forms, etc.)
3. Submit proof of high school graduation, GED or attestation (see *Section C.b. and C.c.*, below)
4. Submit a copy of photo identification card (e.g. driver's license, passport, alien registration card)
5. Submit a copy of social security card
6. Pay the registration fee

The applicant will then be accepted into the college but must meet additional requirements before officially being accepted into the nursing program of their choice.

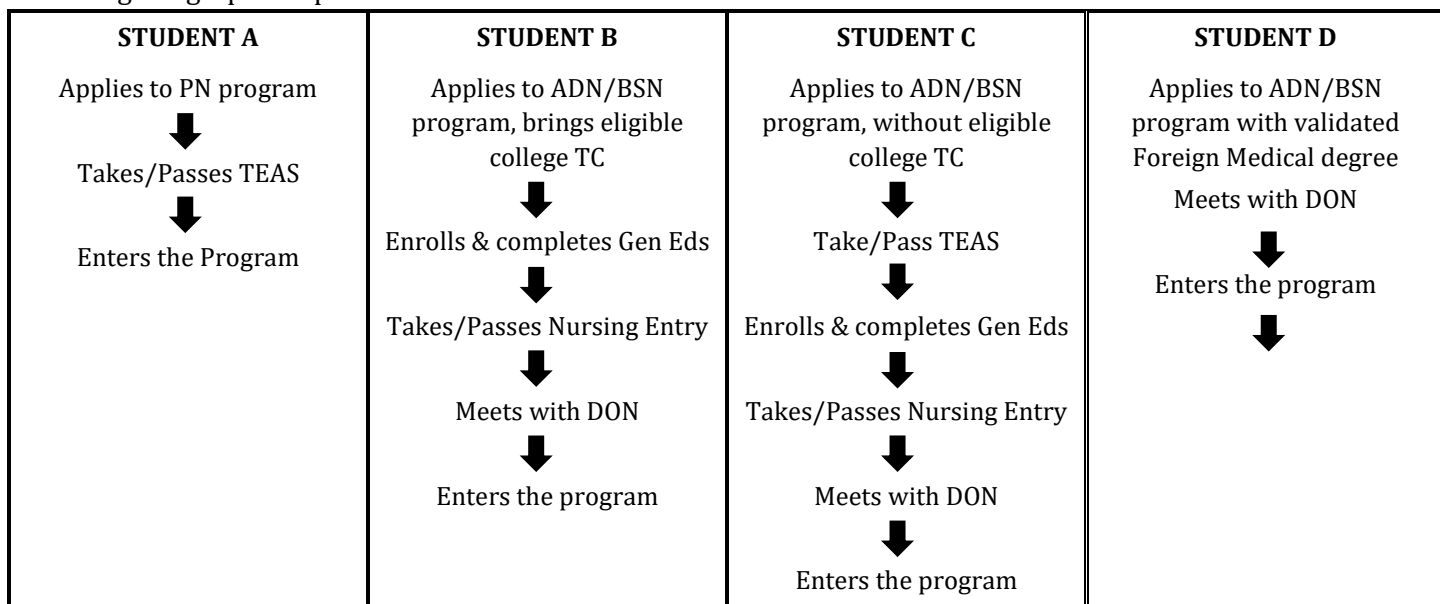

Additional or Advanced Admission Requirements

- A. Applicants seeking to enroll in the PN program must take and pass the college-administered Entrance Exam with a minimum score of 70.0%. The applicant will have two opportunities to pass the exam.
- B. Applicants seeking to enroll in the ASN or BSN programs must fulfill the following requirements:
 - a. Submit official transcripts of transferrable college credits within 30 days of his/her start date. (See Transfer Credit section on page 13 for additional details.) If the applicant cannot show proof of college credit, s/he will need to pay for and pass an entrance exam with a score of 70% or higher. The entrance exam must be taken prior to undergoing the full admissions process.
 - b. A Nursing Entry Exam must be taken after completion of all general education courses; but must be passed prior to entering a core nursing course. Applicants will need to pass the Nursing Entry Exam with a score of 75.0% or higher. The student will be required to sit for the Nursing Entry Exam immediately following completion of the last General Education course, at the date and time announced by the college.
 - i. Applicants with a validated foreign *medical* degree (as defined in Section C.a, following), will be exempt from the Nursing Entry exam.
 - ii. Applicants who fail to pass will not be eligible to proceed into the Nursing core.
- C. Applicants seeking to enroll with educational documentation from a foreign country:
 - a. Applicants who have graduated from an institution of higher learning (college or university) outside of the United States and its territories will need to provide an original copy of a qualitative and quantitative equivalency of the foreign degree, education program(s), and specific courses. The applicant must use a verifiable credential evaluation agency that has published standards for membership, affiliations to U.S.-based international higher education associations, and are frequently linked to and used by federal agencies, state agencies, educational institutions and employers (e.g., NACES and AICE).
 - b. Applicants who have graduated from a high school outside of the United States and its territories, but have also provided evidence of higher education, will need simply sign a high school attestation form in addition to proof of higher education as described above.
 - c. Applicants who have graduated from a high school outside of the United States and its territories, with no evidence of higher education, will need to provide an original copy of a qualitative and quantitative equivalency of the foreign high school graduation from a verifiable credential evaluation agency as described above.
- D. Applicants seeking to be awarded advanced placement based on a nursing license must fulfill the following requirements:

- a. Submit official transcripts reflecting an awarded credential. The transcript must clearly indicate the credential that was awarded.
 - b. Practical Nursing Program from a Board of Nursing approved program
 - c. ASN Program from a Board of Nursing approved institution with a minimum of 70 credits.
 - d. Submit a copy of active PN or RN license. The license must be current in the State of Florida and be in good standing.
- E. Antigua College does not offer credits or considerations for Experiential Learning.

Applicants who have a criminal record involving a felony may be permitted to enroll in the program. However, each applicant for licensure will be required to answer questions on the application related to certain past behaviors or legal history. Upon his/her completion of the program, the Board of Nursing will review the student's application for licensure and address any criminal offenses on a case-by-case basis. The Board of Nursing is solely responsible for the licensing decisions made at that time, Antigua College International can make no guarantees on this matter.

Following is a graphic representation of the four most common Admission scenarios:

Failure to pass the Nursing Entry Exam within the two allowed attempts will result in dismissal from the college.

Amendment #8 Exit Exam Policy

Upon completion of all other courses and clinical requirements, students seeking RN licensure will have two opportunities to pass the NCLEX Readiness course (NUR290) which includes two Exit Exams of the college's choice to be eligible for graduation. If the student does not pass both exams within the allowed attempts, then the student will fail the course (NUR290) and must retake it. If the student fails to pass the course a second time, the student will automatically be withdrawn from Antigua College International. Failure to sit for exams on the assigned dates will result in a zero-score (failure) for the attempt.

Please note: Along with the other required course elements, the student will need to pass both exams during the course retake regardless of any exam passed in the first attempt. No credit or test scores will be carried over from a previous attempt.

Upon completion of all other courses and clinical requirements, students seeking PN licensure will have two opportunities to pass the NCLEX Readiness course (PRN 934) which includes two Exit Exams of the college's choice to be eligible for graduation. If the student does not pass both exams within the allowed attempts, then the student will fail the course (PRN 934) and must retake it. If the student fails to pass the course a second time, the student will automatically be withdrawn from Antigua College International. Failure to sit for exams on the assigned dates will result in a zero-score (failure) for the attempt.

Please note: Along with the other required course elements, the student will need to pass both exams during the course retake regardless of any exam passed in the first attempt. No credit or test scores will be carried over from a previous attempt.

Based on their college entry or reentry dates, RN-seeking students required to take Exit Exams but not NUR290 must also pass both Exit Exams to be eligible for graduation. The Exit Exams must be taken at the dates/times assigned by the college, within 70 days of the completion of all other courses and/or clinical requirements. Students will have two opportunities to pass each exam. If the student does not pass both exams, then the student will be enrolled in the NCLEX Readiness course (NUR290) and will need to pass the course or be dismissed from the college. Failure to sit for exams on the assigned dates will result in a zero-score (failure) for the attempt.

The passing scores for the Exit Exams are as follows:

- 900 points for a HESI-style scoring exam
- 70.0% for an ATI-style scoring exam
